Senate Bill 147.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. Senate Bill 147 establishes a
legislative commission to create the Criminal Law and Corrections
Commission. The purpose is to study and make recommendations for
recodification of the Illinois Criminal Code. It's been many,
many years. The Code of Criminal Procedure was enacted in 1961.
Code of Corrections was enacted in '73. Just in the last ten
years that I've been in the Senate, there have been more than
seven hundred bills to amend the Criminal Code. It's our desire
to have a broad-based bipartisan committee. This would have two
members from each of the four caucuses, legislators, and then a
number of other advisory members on the commission. We have
established, through an amendment, a sunset on the commission.

SENATE TRANSCRIPT

14th Legislative Day

March 2, 1999

But the idea is that we need to take a look in terms of proportionality of sentences and consistency, to take a good hard look at our Criminal Code, to get the best minds together and to -- to recodify it. Be happy to answer any questions; otherwise, I would ask for your Yes vote on Senate Bill 147.

PRESIDING OFFICER: (SENATOR WATSON)

Is there any discussion? Is there any discussion? If not, the question is, shall Senate Bill 147 pass. All those in favor, vote Aye. Opposed, vote No. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. We're all here. 59 voted Yes, no voting No, no voting Present. Senate Bill 147, having received the required constitutional majority, is declared passed. Senate Bill 150. Senator Sieben? Mr. Secretary, please read the bill.

SECRETARY HARRY:

Senate Bill 150.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Sieben.

SENATOR SIEBEN:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Senate Bill 150 amends the Illinois Building Commission Act and the State Finance Act. Provides that the Commission may establish fees for the services it provides. Provides that the fees and certain other monies shall be deposited into the Illinois Building

Commission Revolving Fund. It then creates the Illinois Building Commission Revolving Fund in the State treasury. This is the same language we passed last year, voted unanimously in the Senate and then got tangled up in the House. I know of no opposition and I'd ask for your Aye vote.

PRESIDING OFFICER: (SENATOR WATSON)

Is there any discussion? Senator Welch.

SENATOR WELCH:

Can I ask a question of the sponsor?

PRESIDING OFFICER: (SENATOR WATSON)

Yes. The sponsor indicates he'll yield, Senator Welch.

SENATOR WELCH:

Senator Sieben, what are the -- how much are the fees that could be established? Do you have a number?

PRESIDING OFFICER: (SENATOR WATSON)

Senator Sieben.

SENATOR SIEBEN:

At -- at this point, there are no guidelines for the fee structure. No numbers have been established.

PRESIDING OFFICER: (SENATOR WATSON)

Once again, I'm going to ask the Members to -- to hold down the noise. We're having -- Senator Welch had trouble hearing the response from Senator Sieben. So let's just hold it down. And if you've got a conference or discussion, why don't you just take it off the Floor. Senator Lauzen, for further discussion?

SENATOR LAUZEN:

Just a question for the sponsor.

PRESIDING OFFICER: (SENATOR WATSON)

Sponsor indicates he'll yield.

SENATOR LAUZEN:

How are these services being compensated right now?

PRESIDING OFFICER: (SENATOR WATSON)

Senator Sieben.

SENATOR SIEBEN:

At the present time, there -- there is no compensation for the services. We created the Illinois Building Commission a year ago through legislation, indicated that there would be services that the Building Commission could charge for, such as the

clearinghouse services for checking on Building Code conflicts.
Once that process is established, then there will be a fee

schedule set up and we need a place to deposit those funds into the State treasury.

PRESIDING OFFICER: (SENATOR WATSON)

Further discussion? Further discussion? Senator Sieben, to close.

SENATOR SIEBEN:

Just ask for your Aye vote.

Senate Bill 215.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Link.

SENATOR LINK:

Thank you, Mr. President. Basically, this bill, what it will do is dissolve a school district whose territory consists only of a military installation operated by the government of the United

States and is detached from a school district which includes a military installation and reverts back to its original district

from the territory it was detached, from its successive district, if not elected a school board member and becomes optional {sic} (operational) within two years of the date. This is solely in District 100, which is detached at the Fort Sheridan District. If there's any questions, I'll be more than happy to answer them.

PRESIDING OFFICER: (SENATOR WATSON)

Is there any discussion? Is there any discussion? If not, the question is, shall Senate Bill 215 pass. All those in favor, vote Aye. Opposed, vote No. The voting is open. Have all voted who wish? SECRETARY HARRY:

Senate Bill 304.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Bowles.

SENATOR BOWLES:

Thank you, Mr. President, Members of the Senate. The -- this is one of the amendments to the Criminal Code to which Senator Hawkinson referred. But it came out of the Judiciary Committee, and the purpose of this is to -- in the interim before the Criminal Code is recodified, I would like to have this amendment made so that it will protect the personnel in hospital emergency rooms. In other words, it provides that committing a battery against individuals known to be hospital emergency room personnel engaged in the performance of their official duties, or to prevent the performance of their official duties, or in retaliation for performance of their official duties -- in other words, it will

13

enhance the offense to aggravated battery, which will be a Class 3 felony, which provides for five years and twenty-five thousand dollars. This legislation was brought about because of assaults on -- on emergency room personnel in Fulton County and in Madison County. And the two State's Attorneys in each of those counties are strongly in support of this piece of legislation. If there

are no questions, I would ask for an affirmative vote.

PRESIDING OFFICER: (SENATOR WATSON)

Is there any discussion? Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. Inquiry of the Chair. The automatic bill pop-up switches are on, but the bills aren't progressing through the system today for some reason. I rise in support of the bill.

PRESIDING OFFICER: (SENATOR WATSON)

Any other discussion? Senator Molaro.

SENATOR MOLARO:

Thank you. Would the sponsor yield for a question?

PRESIDING OFFICER: (SENATOR WATSON)

Yes. Sponsor indicates she'll yield.

SENATOR MOLARO:

Okay. On -- on the burden of proof on this, is it -- is it incumbent upon the prosecutor to show that the defendant knew that it was an emergency personnel person, or is it just the fact that they're emergency personnel, is that good enough?

PRESIDING OFFICER: (SENATOR WATSON)

Senator Bowles.

SENATOR BOWLES:

In each of these cases, the -- each of these cases are still up for hearing of finding of -- of fact and responsibility. But that they know - number seven - they know the individual harmed to be an emergency medical technician - ambulance, emergency medical

technician - intermediate, emergency medical technician - a paramedic, an ambulance driver, or other medical assistance or first aid personnel. All we're doing is extending it to cover those in the emergency room.

PRESIDING OFFICER: (SENATOR WATSON)

Further discussion? Senator Molaro. Excuse me.

SENATOR MOLARO:

...general comment on -- on moving this type of legislation, where we keep adding categories, whether it be the death penalty or aggravated battery. So the point would be in this legislation, if somebody's going -- loses it in an emergency room and attacks two people, one happens to be an ordinary civilian like me or you and one happens to be working there, if they charge him for me, it's just regular battery, but if they charge him for the medical personnel, it's aggravated battery, even though they did the same thing to us?

PRESIDING OFFICER: (SENATOR WATSON)

Senator Bowles.

SENATOR BOWLES:

They have to be cognizant of the fact that this person is a person affiliated and working in the emergency capacity.

PRESIDING OFFICER: (SENATOR WATSON)

Further discussion? Further discussion? If not, Senator

Bowles, to close.

SENATOR BOWLES:

I would ask for an affirmative vote, Mr. Chair.

PRESIDING OFFICER: (SENATOR WATSON)

The question is, shall Senate Bill 304 pass. All those in favor, vote Aye. Opposed, vote No. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 voting Yes, no voting No, no voting Present. Senate Bill 304, having

Senator Rauschenberger? Out of the record. Senate Bill 389. Senator Rauschenberger. Out of the record. Senator Sieben, for what purpose do you arise, sir?

SENATOR SIEBEN:

Purpose of an announcement.

PRESIDING OFFICER: (SENATOR WATSON)
